## Insights for Driving Success

In this episode of *Insights for Driving Success*, Partner Jette Campbell shares how he employs his background as a CPA to bring a unique perspective to restructuring cases. Although there is no “one size fits all” solution for companies facing financial challenges, there are a few key considerations that should not be overlooked.

### Considerations Often Overlooked During a Restructuring

Jette discusses three very important elements that companies facing the challenge of restructuring should fully understand and consider: the tax implication of filing bankruptcy, how bankruptcy can be used as a tool, and the value of making management decisions quickly and efficiently. Jette also describes how Carl Marks Advisors’ real-world experience has been a critical asset in helping our clients derive the greatest value during complex restructurings.
